

WATER TODAY'S LANKA WATER EXPO 2024

28th 29th 30th

JUNE 2024
BMICH, SRI LANKA

BE A PART OF THE LARGEST
INTERNATIONAL WATER EVENT IN SRI LANKA

Water Today is delighted to announce the 3rd Edition of **LANKA WATER EXPO 2024** to be held on 28th, 29th & 30th June 2024 at BIMCH, Colombo. The scope of exhibition is to provide proactive networking platforms for the water & wastewater fraternity to converge and work together in achieving solutions to global water crisis. This Event will explore the business opportunities in the Lankan Water & Wastewater industry and create a perfect business platform for knowledge sharing and discovering offshore markets.

India being Sri Lanka's largest trading partner, this venture will provide an added advantage to both Indian & Sri Lankan water and wastewater treatment solution providers who are scouting for business and trading prospects across borders. Sri Lanka's outlook is now focused on long-term strategic alliances and structural development in the country. Besides this, our credibility along with over a decade's experience in this industry will present a perfect networking platform for the Indian Water & Wastewater industry professionals.

OPPORTUNITIES AT LANKA WATER EXPO

- ✦ Discover new markets, business leads & prospective partnerships.
- ✦ Industrial & Municipal buyers will find qualified suppliers.
- ✦ Leverage your time to finalise business deals.
- ✦ Build on your brand image & extent visibility to new heights.
- ✦ Explore new business avenues .
- ✦ A bridge between domestic & international markets.
- ✦ Showcase innovative products, solutions and contemporary technologies.
- ✦ Join a new water management wave.
- ✦ A perfect meeting place for the prospective exhibitors and end-users.
- ✦ Ideal forum for exhibitors to interact with end-users, decision-makers, consultants & industry experts from across the globe...

KEY FOCUS AREA

Drinking Water | Wastewater | Desalination | ZLD | Process Water | Clean Water Supply to Urban & Rural Areas | Rainwater Harvesting

WHO SHOULD ATTEND

CEOs, COOs, General Managers, Project Managers, Engineers, Scientists, Managers and Government Officials responsible for Municipal and Industrial wastewater collection and treatment programmes, storm water management and surface water quality and ecology management. The exhibition provides a unique podium to establish new partnership between end users and experts, government bodies, NGOs, water equipment and infrastructure companies from the water and wastewater industry.

- + Pollution Control Boards
- + Power Plants
- + Project Finance Companies
- + Public Utilities
- + Public Works Department
- + Pulp and Paper
- + Refineries
- + Research and Technical Institutes
- + Rubber Industries
- + Steel Plants
- + Sugar Industries
- + Textile Industries

Venue Information

The Bandaranaike Memorial International Conference Hall and its surrounding gardens are situated on the Bauddhaloka Mawatha which is one of the main roads in the residential part of the city of Colombo and covers an area of about 37 acres. It is within easy access from any point of the city. The Hall indeed promises to be one of the premier tourist attractions in the country for its striking appearance and as it is one of the few conference halls of this kind in Asia.
